

沈阳工业大学  
SHENYANG UNIVERSITY OF TECHNOLOGY

September 1, 2025

Dear editors and referees,

Shenyang University of Technology (SUT) is an engineering-centered, application-oriented and multidisciplinary university. In the university, a variety of disciplines are offered, including engineering, science, economics, management, humanities, law, philosophy, and arts.

Pay attention, this template is a modified based on the other university in overleaf.

Sincerely,

xxx

Professor

School of Science, SUT
